The front of the building is on Euclid, and the back of the building is on Garfield. The parking garage is located on Garfield. We are located on the 5th floor.

From the 210 North: Take the Colorado exit. Off the ramp, take the first left turn onto Walnut. Follow Walnut to Garfield, turn left. Follow the curve to the last building on the right (you'll see the University of Phoenix signage on the top of the building). From there you can enter the parking garage. The guard will give you a parking ticket for us to validate. If the guard is not at the booth, please press the button for assistance.

From the 210 East: Take the Lake Street exit. Turn left of the ramp. Follow Lake Ave. south for two traffic lights to Walnut, turn right. Follow Walnut until you get to Garfield (you will cross over Euclid) and turn right. Follow the curve to the last building on the right (you'll see the University of Phoenix signage on the top of the building). From there you can enter the parking garage. The guard will give you a parking ticket for us to validate. If the guard is not at the booth, please press the button for assistance.

From the 134 and all points West: East on the 134; it will merge with the 210. Take the 210 East (Pasadena) to the Fair Oaks/Marengo exit. Continue straight (you will be driving parallel with the freeway on Corson). Pass Fair Oaks, pass Marengo, turn right on the first street after Marengo which is Garfield. Make an immediate left into the first driveway which is our parking garage. The guard will give you a parking ticket for us to validate. If the guard is not at the booth, please press the button for assistance.

From LAX: Take the 105 East to the 110 North until the 110 ends in Pasadena; it will exit onto Arroyo Parkway. Take Arroyo Parkway north to Del Mar, turn right. Go one block and turn left on Marengo. Follow Marengo north to Walnut, turn right. Get in the left lane and make a left on Garfield. Follow the curve to the last building on the right (you'll see the University of Phoenix signage on the top of the building). From there you can enter the parking garage. The guard will give you a parking ticket for us to validate. If the guard is not at the booth, please press the button for assistance.
